can access site. More information nearer the time.
4th to 18th March and finishing on 31st March 2019, A358 Drainage & Resurfacing at Black Arch Bridge, Sampford Brett. This scheme has been on the back burner waiting for funding, this location will be CLOSED 24/7 to enable the work to be carried out over a two week period. This will create a major problem for all travellers. I have written to Somerset Highways as not received plans of proposed diversions. Has any thought been given to the "BLUE LIGHT SERVICES" as this road is the ONLY fast and direct route to Taunton. Cllr Davis reported that he had heard today that repair works to the A39 EQH for resurfacing would be done 6th-8th March 2019. He also reported that Bus Passes are for life and would be Reviewed every 5 yrs for usage. If the Bus Pass holder Fails to inform SCC of change of Address they will be Charged a £10 renewal fee. If the Bus pass is used in London SCC are unable to track because of the "Oyster System" although it can be tracked in other areas. Discussion followed. The Chairman thanked him for attending.

1139/19: None available.

1140/19: **The Somerset Wood**: This is a new partnership with TDBC, Cheddon Fitzpaine and West Monkton PCs to create the Somerset Wood, to commemorate the County's fallen in World War One. It will cover 9.5 hectares and comprise of 11,281 trees, this number will match those listed in The Somerset Book of Honour which is kept in the South Transept of Wells Cathedral. After discussion it proposed by Cllr Woolley and seconded by Cllr Grigg to donate £100 for 4 Trees.

1141/19: **Defibrillator update**: Cllr Grigg stated that she had Completed all the forms re: new one defibrillator, waiting for reply, she had also passed on details Holford PC re: training sessions. The Chairman thanked her
